

Questions For Your Healthcare Team

When you are diagnosed with cancer, you may feel overwhelmed with information. Ask your oncologist the following questions to make sure you have the answers you need.

What is my diagnosis?

What stage is my cancer? What is my prognosis?

What are my treatment options? What would you recommend?

Am I eligible for a clinical trial?

What are the long-term and short-term side effects of treatment? How will these affect my normal activities?

How can I manage these side effects?

How can I keep myself as healthy as possible during treatment?

Will I be able to have children? What are my options to preserve fertility?

Where can I find help with financial concerns?

Where can I find help with lodging or transportation?

What will my follow-up care plan include?
